

0107 - CONFORT cream

polenia CONFORT cream soothes, nourishes and protects.

Rich in royal jelly, aloe vera, shea butter and camelina oil, it protects and restores suppleness and splendor to any skin.

For use as a day or night cream: its lightness facilitates tiny massages with your fingertips. Provides perfect protection and a sensation of absolute comfort, for all types of delicate or dehydrated skin.

Natural fragrance: lotus blossoms.

In 50 ml tube format.

Recommended use

For perfectly protected skin, apply in the morning and evening on your face and neck, massaging lightly with your fingertips.

Composition and active ingredients

1% beeswax, a natural emulsifier that softens and protects skin. 4% organic shea butter, containing moisturizing, nourishing properties and helps skin maintain its suppleness. 1% glycerin (obtained from vegetable oils) provides a hygroscopic and moisturizing effect, for soft, supple skin. 1% organic royal jelly, very rich and complete with all its nutrients, provides a balanced, revitalizing and regenerating action for softer, shinier skin. 6% organic Aloe Vera gel, with moisturizing, nourishing, regenerating and protective properties. 0.5% camelina oil, nourishing and soothing, rich in Omega-3. 4% sensiline, from organic brown flaxseed oil, soothes and protects (deposits a microfilm with a velvety effect), to enhance skin comfort.
